A letter to Women Veterans

As Commander of our local VFW in Milford, I would like to take this time to say Thank you to all the women veterans. Women have always played a vital role in the military.

Women veterans are the fastest-growing segment in the VFW Membership. As a VFW member, you would be part of a unique community that has a network of other women that share your military experience.

Mountain Laurel VFW Post 8612 recognizes the importance to have you as a member, to bring your experience and knowledge, to help us build a better post.

The VFW is moving towards a more family orientated organization, and with your help, I think we can look to a bright future.

Once again, I would like to shout out to all veterans. We are looking forward to new members, both female, and male. Together, we can build up and our organization and continue to help each other and our community.

Thank you.
